

## VAUGHN COLLEGE OF AERONAUTICS AND TECHNOLOGY

### Transfer of Credit Policy for Applicants to the B.S. Degree in Airport Management with the Air Traffic Control-Collegiate Training Initiative Concentration

Applicants who hold a bachelor's degree in business administration or a related major, from a regionally accredited college or university, are eligible to earn a Bachelor of Science degree in Airport Management by completing the 10 courses listed below. Students who successfully complete the stated courses will earn a degree from Vaughn College and, providing they meet all the other requirements of the Federal Aviation Administration (FAA) requirements (including, but not limited to US citizenship), will receive the formal recommendation required by the FAA in order to apply for a position as an air traffic control specialist. All 10 courses must be completed while attending Vaughn College.

Introduction to Aeronautics  
Airport Planning and Administration  
Airport Operations and Management  
Aviation Law  
Aviation Transport Regulations  
Aviation Weather  
Aviation Safety  
Air Traffic Control I  
Air Traffic Control II  
Industry and Labor Relations

Applicants who hold a bachelor's degree in a major other than business administration (or related area) are also eligible to earn a bachelor of science degree in Airport Management by completing the 10 specific courses listed above. However, those students must complete the following courses before enrolling in the program:

Pre-calculus  
Calculus  
Introduction to Management or Introduction to Business  
Principles of Accounting or Probability and Statistics  
Financial Management  
Principles of Economics  
Management of Aviation Environmental Issues

Students who have received a "C" or better in any of the above courses (or logical equivalents) while engaging in undergraduate study at a regionally accredited college or university will not have to retake those courses in order to attend Vaughn College.

Students who would like additional information regarding their specific degree and prerequisite requirements should contact the Director of Admissions for a personal consultation. The Admissions Office may request official transcripts before making a final determination.
