Eligibility

Housing priority is given to full-time degree-seeking Vaughn College undergraduate or graduate students. Residents whose status changes to part-time at any point before or during a semester must immediately notify the Office of Residence Life so that there can be a determination about the student's continuing eligibility to live in the residence hall.

Cancellations and Refunds

- Students who are assigned housing and who fail to move in will forfeit their deposit and remain responsible for any housing charges due. The \$250 housing deposit will not be refunded to residents who do not remain in housing for the entire academic year (period of licens e), unless resident is a mid-year (spring semester) move-in or due to resident graduation.
- Students who cancel housing by notifying the Office of Residence Life in writing prior to June 20th for the fall semester, or for mid-year move-ins, by December 1st for the Spring semester, will be refunded the \$250 housing deposit. After these dates, the deposit will not be refunded. At the end of the student's residence, the room will be inspected to determine the mount, if any, for damages, which will be charged to the student's account upon move out. Failure to receive a specific type of housing is not a justifiable reason to be refunded the \$250 deposit or to decline or move out of the residence.
- If a student is removed from the residence hall for judicial reasons, he/she forfeits the right to a refund of his/her housing charges and housing deposit and remains liable for the full amount.
