Student Search

- Contact **Vaughn Career Services** to create a resume packet via registered students/alumni on the site which you can receive by email

To Create a New Job

- Click on **New Job**. Enter job information. **Fields with an * are required information**. Fill out as much information as possible to make the job posting complete. In the field, "Application Instructions," enter the procedure in which a potential employee may apply for this position. Click on SAVE to update this information.

**Under the Posting Information section, there are two fields that you need to review. In "Show Contact Information," if you select No, your contact information will not be available to potential employees. In "Allow Online Referrals," if you select Yes, students can submit their resume to you via this system (i.e., you will receive email notification of students' job application and be able to view resumes on-line).*

To Make Changes to Current Jobs

- There are several sections (Position Information, Contact Information and Posting Information) that you may update.
- To make changes to any sections, click on the [Edit] link and make your changes. Once completed, click on SAVE for each section.

NOTE: Once you add a job or make changes to a current job, this information will be reviewed by a Career Services employee before it is posted.
