

Reporting a Positive COVID-19 Case — October 5, 2020

In accordance with NYS guidelines, we are sharing that we have received notice that a member of the Vaughn College community has tested positive for COVID-19.

- This individual followed the College's protocols and was taking appropriate measures.
- To respect the privacy of the individual, they will remain anonymous.
- This individual will remain quarantined by the Department of Health until officials have cleared the individual.
- As part of their protocols in any positive test case, a representative of the Department of Health will notify directly any community members, students, faculty, and staff who may have been exposed and will give further guidance. These contacts will remain confidential.
- Public health may ask the College for information to support their review and your assistance is appreciated.
- All other members of the community should continue to abide by social distancing and other preventative measures.
- Wearing a mask is the #1 way we can stop the spread.
-

We continue to work with the Department of Health and monitor and implement the guidance of New York State, federal and world health representatives.

Thank you for your cooperation.
