

Registration Process – Making Your Schedule

Prior to making your schedule, gather your curriculum sheet (available in the Vaughn Portal) and your Degree Audit (on Sonis). You should then make a Zoom appointment with your adviser through Starfish; you will need your adviser to lift your online registration hold.

The curriculum sheet and DA Report will both list the courses required for your degree. The curriculum sheet is helpful as it provides a recommended sequence for taking your courses, and most importantly states which courses have prerequisites. A prerequisite is course that must be taken before you can enroll in a higher-level course.

It is advised to map out or highlight on the curriculum sheet, or DA report, which classes you want to register for prior to logging in to make your schedule.

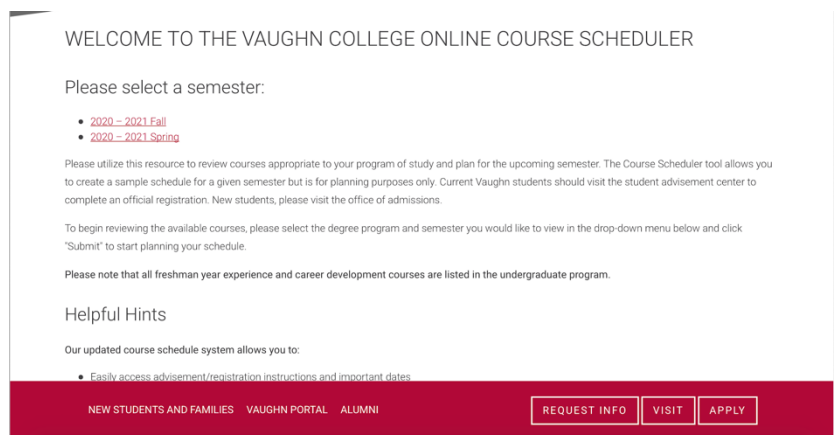

What you need:

- **Your DA Report**
- **Curriculum sheet**
- **Access to the internet**

14. The course, section and credits are what is essential to transfer onto your registration form.

CREATING YOUR SCHEDULE DOES NOT ENROLL YOU IN THE COURSES. THE REGISTRATION MUST BE APPROVED BY YOUR ADVISER, STUDENT ACCOUNTS, FINANCIAL AID, AND THEN PROCESSED BY THE REGISTRAR'S OFFICE.
