

Dear students:

A reminder that our Spring 2021 registration period has begun. Today is the second day for seniors (both ATI and Academic) to meet with their advisers. Tomorrow begins registration for Juniors. The calendar of events is available at <https://bit.ly/3jSr5IH>. Appointments with your advisers are made through the Starfish platform (<https://vaughn.starfishsolutions.com/starfish-ops/>).

ALSO: If you are a sophomore, junior or senior **with a CGPA of 3.0** or higher, we've removed your Online Registration hold. You can register for your classes even before seeing your adviser. Can you still visit your adviser for a meaningful registration conversation? Of course!

Before coming to your adviser, you should:

1. Be sure that your **balance is under \$500**. If you need to discuss your current balance, please visit the Zoom room for the Office of Student Accounts (Zoom # 935 812 441). The Office of Advisement cannot process a registration when your balance exceeds \$500.
2. Develop a **draft of your schedule**. The guide to using the course scheduler is on the Vaughn Forward Website: <https://bit.ly/2Jo0Alb>. If you need your SONIS account to be reset for viewing your Degree Audit, please visit the Office of the Registrar (Zoom # 421 212 886). [INSTRUCTIONS UPDATED]
3. Schedule a **meeting with your adviser**. You may view the registration calendar at <https://bit.ly/3jSr5IH>. To minimize your waiting time and to maximize service to you, we are seeing students by appointment only and registering you according to the schedule. Please be sure to make an appointment through Starfish on the proper day for your group.

Some questions that you might have:

I see a CSTEP priority registration day. What is CSTEP? Can I join the program?

The webpage for the Collegiate Science and Technology Entry Program is here: <https://www.vaughn.edu/student-life/college-science-and-technology-program-cstep/>. The program application is available on that webpage.

When does the Spring 2021 semester start for ATI students?

The **ATI Spring 2021 calendar** has been updated. Visit <https://www.vaughn.edu/student-life/academic-calendar/> to see the semester start date. The ATI calendar is further down on the page in the blue area.

Are there ATI makeups between the Fall and Spring semesters?

The **schedule of makeups** in December, January and February for courses from Summer I and II is here: <https://bit.ly/3k1lhVY>. [LINK/DOCUMENT UPDATED]

An **updated video** with our Vice President of Training, Domenic Proscia, is here:
http://bit.ly/ATIUpdate_Spring. [LINK/VIDEO UPDATED]

How do I schedule my makeups for ATC and flight labs?

You can schedule makeup time using the Flight/ATC makeup scheduling room (Zoom # 926 5588 9675).

Where do I go for other questions?

The Vaughn Front Desk continues to be available on Zoom at
<https://vaughn.zoom.us/j/98974851705>. Or, text Casey the Chatbot.
