SALUTING OUR HONOREE

Mr. Nicholas E. Calio

*Presented by*

Dr. Sharon B. DeVivo

*President*

# Welcome

*Dear Friends of Vaughn College,*

Thank you for joining us at Vaughn College's 2023 Gala. Tonight, we are proud to honor Nicholas E. Calio, President and Chief Executive Officer of Airlines for America (A4A). Nicholas is a true leader overseeing the trade association for the country's leading passenger and cargo airlines which advocates for America's airlines as models of safety, customer service and environmental responsibility and as the indispensable network that drives nearly \$1.5 trillion in US economic activity and 10 million US jobs.

We are thrilled to have Nicholas here tonight. He has been tirelessly committed to the success of the aviation industry and shares a common goal with Vaughn—creating opportunities for the next generation of leaders.

While the pandemic led to challenges for the aviation industry, the sector is stronger than ever and in need of professionals across every sector to propel the industry forward.

Vaughn's continued effort to educate the workforce of tomorrow demonstrates what this institution has done throughout its history—serve students well by offering a transformative education that creates a lifetime of opportunity. Your presence provides us with the financial support to pursue that vision every day. This evening marks an opportunity to celebrate Nicholas and Airlines for America as well as showcase the strength and importance of our supporters.

As you interact with students this evening, ask them about their Vaughn experience and how it is shaping their future, and then consider how you can help. We need like-minded individuals who believe in our community of learners and want to help us change lives. Our diverse population includes many first-generation Americans and first-generation college students. Our students are excited about the opportunity to contribute to the aviation and aerospace industry and, with your support, will achieve their degree and have a pathway to a career. Join our deeply committed community of trustees, faculty, staff, alumni and corporate partners who strive every day to provide our talented students with an experience that contributes to that lifelong success.

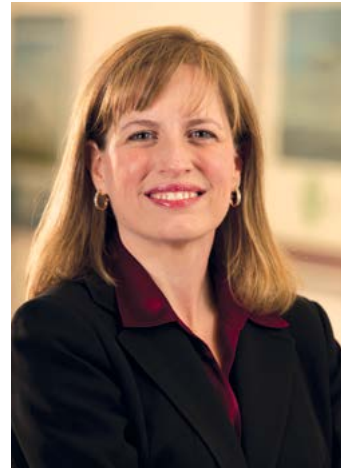

Thank you again for your choosing to join us. Have a wonderful evening.

A handwritten signature in black ink, appearing to read "Peter Vaughn".

Peter Vaughn  
Chair, Board of Trustees

# NICHOLAS E. CALIO

PRESIDENT AND CHIEF EXECUTIVE OFFICER  
AIRLINES FOR AMERICA

*Vaughn College is proud to honor Nicholas E. Calio  
at our Gala this evening.*

Mr. Calio is a true leader and advocate for America's airlines as models of safety, customer service and environmental responsibility. His organization supports the indispensable network that drives nearly \$1.5 trillion in US economic activity and 10 million US jobs.

Under Mr. Calio's leadership, A4A rebranded and honed its focus on being an influential voice in helping to shape legislative and regulatory policies and priorities that improve air travel for everyone. Calio is known for working collaboratively with airlines, labor unions, Congress and the Administration to promote safety, security and a healthy US airline industry.

Prior to joining A4A in January 2011, Mr. Calio was Citigroup's Executive Vice

President for Global Government Affairs and a member of its senior leadership committee. He served President George W. Bush as Assistant to the President for Legislative Affairs from January 2001 to January 2003 and held the same position during the administration of President George H.W. Bush. Between the Bush Administrations, Mr. Calio was a partner at O'Brien and Calio, a law and lobbying firm he co-founded in 1993.

He serves as Vice Chairman of the Board of Trustees of Ohio Wesleyan University and serves on the Board of the U.S. Capitol Historical Society.

Mr. Calio is a graduate of Ohio Wesleyan University and Case Western Reserve University School of Law.
