## DISCOVER WHAT'S HERE

### CORE COURSES

Vaughn's academic programs build solid foundations for the communication, analytical and critical thinking skills necessary for lifelong career success. Competencies include oral and written communication, scientific reasoning, quantitative reasoning, technical skills, information literacy, values, ethics and diverse perspectives.

### LEARNING COMMUNITIES

Combinations of "linked" coursework in subjects such as mathematics and English or physics and history are team-taught by the faculty. This approach enhances thinking skills, expands points of view and provides a truly well-rounded education.

### FACULTY

Classes are led by an experienced, passionate faculty who go beyond teaching and often hold influential positions in their respective fields of expertise. Their one-on-one connection with students is a hallmark of the Vaughn educational experience.

### FLEXIBLE SCHEDULES

The faculty and staff do everything possible to help students who have busy lives—juggling school and work—by providing flexible course times to accommodate any schedule.

# LIFE BEYOND THE CLASSROOM

Whether you live in the residence hall or commute, there's always something to do on Vaughn's campus. Students get together, work together and have fun together in clubs, professional societies, honor societies and intercollegiate athletics.

## CLUBS AND ACTIVITIES

From the Women in Aviation Chapter and the Veterans Association to the Robotics Club and Society for Women Engineers, this campus has a way for you to find a new interest or pursue a passion—so get involved!

### ROBOTICS CLUB

Do you have an interest in the mechanics, engineering and science that make up the exciting field of robotics? In this club, you can work on large established projects, small competition projects or even suggest ideas for new projects.

### UNCREWED AERIAL VEHICLE (UAV) CLUB

Learn all about the safety, design, construction and use of UAV (drone) technology. This club engages the Vaughn community and aviation industry leaders to discuss the benefits of this emerging field, as well as career possibilities.

### LET'S GO PHOENIX!

Take your passions and talents to the court or field by participating in Vaughn College's recreation program. Join a team with your classmates or join our campus of students, faculty, staff and alumni from the sidelines to cheer them on.

Recreation allows students to continue their interests in sports, build important power skills and make friends within the Vaughn campus community. All students are encouraged to participate in the positive health and well-being opportunities associated with campus recreation including healthy living workshops, group classes, outings and access to the fitness centers. Whether you're a player, fitness enthusiast or a supporter, there are always opportunities to show your Phoenix pride.

## VAUGHN IS LOCATED IN THE WORLD'S GREATEST CITY

Vaughn is in the borough of Queens, just minutes from Manhattan—the most exciting, culturally diverse city in the world. Surrounding the campus are “Little India” in Jackson Heights, the great Greek and Italian restaurants of Astoria and the Chinese markets of Flushing. Want more? The excellent museums, nightlife and cultural events of Manhattan are just one short commute away.

## EXPERIENCE LIFE AT VAUGHN

In Vaughn's three-story residence hall, students live in either two, three or four-person suites. The residence hall has laundry, study and kitchen facilities and a fitness center. All rooms are fully furnished and equipped with phone, cable and internet connections. The hall is fully staffed, and security is monitored 24/7.

Students can engage in a variety of social, educational and cultural programs designed to enhance their living and learning experience, and to promote positive relationships within the residence hall and the Vaughn community at large.

It's never too soon to start thinking about your future. So, when the time comes to decide which college to attend, be prepared. If you're considering starting your futureproof career at Vaughn, here's what to do:

## APPLY TO VAUGHN

When you're ready to apply to Vaughn College, submit a completed application for admission, the non-refundable \$40 fee, transcripts of all academic work, a record of immunizations and either your SAT I or ACT scores. Letters of recommendation add strength to your application. If you attend one of our Open House or Info. Session events, we will waive the \$40 application fee. You can also apply to Vaughn using the Common Application.

# VAUGHN SETS YOU UP FOR SUCCESS

Need a helping hand? Perhaps some extra assistance writing that research paper or a few tips on how to better manage your time? Chances are, you'll find exactly what you're looking for at Vaughn's Academic Success Center.

## ACADEMIC SUCCESS CENTER (ASC)

What sets Vaughn apart is a commitment to individual attention that is focused on student support and achievement. We understand that you are busy with college, extracurricular activities, possibly holding down a job and a social life. The ASC will collaborate one-on-one with you to ensure that you are making consistent progress toward your degree with course scheduling assistance and connections to academic support services, creating a pathway to graduation. Below are the support services that the ASC provides.

### ■ PEER TUTORING

Peer tutors will collaborate one-on-one with you at a mutually convenient time. Periodic meetings are held between students and the director of academic support services to provide additional support and determine next steps.

### ■ THE MATH AND WRITING CENTERS

Build your writing and mathematical skills with help from Vaughn faculty, student tutors and professional authors who share their thoughts, ideas and tips. Learn research techniques, attend workshops on a variety of writing topics, or get help editing a paper or essay. Review the fundamentals of algebra and precalculus—the foundations of math proficiency—and obtain support for advanced math courses.

### ■ ACADEMIC ADVISEMENT OFFICE

The academic advisement office is where to go to register for courses and receive guidance about your degree program throughout the semester.
